Please note:

1. The approval only covers the participants and trials specified on the form and further approval must be requested for any repetition or extension to the investigation.
2. The approval covers the ethical requirements for the techniques and procedures described in the protocol but does not replace a safety or risk assessment.
3. Approval is not intended to convey any judgement on the quality of the research, experimental design or techniques.
4. Normally, all queries raised by reviewers should be addressed. In the case of conflicting or incomplete views, the ethics committee chair will review the comments and relay these to the applicant via email. All email correspondence related to the application must be copied to the Faculty research ethics administrator.
5. You have the right to appeal against a decision by the Research Ethics Committee. To do so please complete the appeal form (available on the Moodle Page) and submit it to Vanitha.Singaram@nottingham.edu.my

Any problems which arise during the course of the investigation must be reported to the Research Ethics Committee
